Subject: Final matches of CAF Interclub Competitions

Dear General Secretaries,

Kindly note that CAF Executive Committee, in its meeting held on the 3rd of July 2022 in Rabat, Morocco, has decided that the final matches of CAF Interclub Competitions, namely TotalEnergies CAF Champions League and TotalEnergies CAF Confederation Cup, shall be played in two matches, home and away.

Therefore, article 28 of chapter III of the regulations, will be amended as follows:

“The final shall be played in two matches, home and away. The team which will have scored the highest aggregate number of goals in the two matches will be declared winner.

In case of equality in the number of goals scored during the two matches and only in this case, the team which will have scored the greatest number of away goals will be declared winner.

If the number of goals scored on the «away match» is also equal, the winner will be determined by penalty kicks in conformity to the laws of the game. The team that succeeds to score the greatest number of penalties will be declared victorious”

This decision shall be implemented on the above-mentioned competitions starting from the upcoming season 2022/23.

Please accept, Dear General Secretaries, our sincerest regards.
